

Press Release: Correction of the Dates for the APSCC 2010 Satellite Conference & Exhibition

13th Asia-Pacific Satellite Communications, Broadcasting and Space Conference and Exhibition
October 5-7, 2010
Tokyo, Japan

The dates in the original announcement, dated December 17, 2009, have been changed. Now the dates for APSCC 2010 have been set to **5-7 October 2010**. We apologize for any confusion, and would appreciate it if you could update the dates for APSCC as below.

APSCC 2010 Satellite Conference & Exhibition

13th Asia-Pacific Satellite Communications, Broadcasting and Space Conference and Exhibition

October 5-7, 2010

Tokyo, Japan

www.apsc.or.kr

APSCC 2010 will be held in Tokyo, Japan from October 5 to 7. APSCC expects that the 2010 annual conference will embrace a larger number of participants including its members from Japan and neighboring countries. Through a variety of programs including its first-rate roundtables, panel discussions, educational sessions and exhibition, APSCC 2010 will explore the evolutionary directions of advanced satellite technologies as well as the possible means to vitalize the satellite markets in the Asia-Pacific region through innovative technologies.

Additional details on the conference program will be announced soon.
